ORGAN PRELUDE In Peace and Joy I Shall Depart BWV 616 JS Bach

ENTRANCE ANTIPHON

John L. Bell

O Christ, You Wept

*O Christ, you wept when grief was raw, and felt for those
who mourned a friend; come close to where we would not be and hold us,
numbed by this life's end.*

*The well-loved voice is silent now, and we have much we meant to say;
collect our lost and wand'ring words and keep them till the endless day.*

*We try to hold what is not here and fear for what we do not know.
Oh, take our hands in yours, good Lord, and free us to let our friends go.*

*In all our loneliness and doubt, beyond what we can realize,
address us from your empty tomb and tell us that life never dies.*
