PRAY FOR MERCY

Please pause for a minute in silence as you pray to God from your heart. Repeat over and over the words "Mercy, Mercy, Mercy."

Mercy for the babies who die unjustly; for the women who are exploited by abortion; for those involved in the opening of this facility. Mercy for the people who will work here; for all the abortions that have taken place in this city, across the country, and throughout the world; and upon us, for whatever we may have failed to do to stop it.
