CATHEDRAL OF SAINT MATTHEW THE APOSTLE

Wednesday, December 21st, PBS will broadcast the movie
[The Letter](#) at 8:00 p.m.

This film tells the story about Pope Francis' call to care for our planet Mother Earth. In 2015, Pope Francis wrote *Laudato Si'*, a letter to the world confronting the looming calamity of human impact on the earth and ourselves. The Encyclical outlines the most critical environmental and social issues that we collectively face and need to respond to in caring for Mother Earth and for each other.

Please invite your loved ones to watch [The Letter](#) as family and friends, invite colleagues, team members, neighbors to watch the movie. Now more than ever, we need your support to elevate this meaningful expression of our Church's teaching and wisdom.
