

Mystical Lectures on the Bible

In these lectures, we will pray, read, and study the Bible for unity with God. How can the Bible help to liberate us from our egos and for loving God, others, and ourselves in truth?

We will dive deep into the mysteries of God's Word through silence, discussion, and lecture. Come to learn about the Biblical way to becoming a mystic; come to sink into the Holy Mystery through the Word.

Each session includes contemplative readings of Scripture, brief silent meditation, lectures, and sharing.
