

“The earth, our home, is beginning to look more and more like an immense pile of filth.” (Pope Francis, Laudato Si’, 21)

## Please Help Beautify Mother Earth

Please join us for the **2021 EARTH DAY CLEAN UP!**

**Saturday, April 24, 10:00a-12p**

REGISTER NOW, using this special team [registration link](#)

“We had great fun in 2019. Just look at all our smiling faces!”

Please join the St. Matthew’s Creation Care Green Team in the 2021 Anacostia Watershed Society [Earth Day Clean-up](#). Every year on the Saturday following Earth Day thousands of volunteers come out to dozens of different sites around the watershed to pick-up trash, serve their communities, and enjoy the Anacostia River. AWS allows group registrations at a few locations. AWS has reserved space for our group at the Northwest Branch/West Hyattsville Metro cleanup site. Register, using this special team [registration link](#)

**AWS COVID-19 Protocols** - Volunteers must agree and comply to AWS COVID-19 protocols in order to participate.
