Friends: Please Join us for our **Annual Earth Day Clean-up!
Sat. April 23, 10:00am-Noon.**

Please Commit and [Register](#) TODAY for our St. Matthew's Team - so that we can secure the spot!

Celebrate Mother Earth's new burst of life with some spring cleaning of our river. The **Creation Care Green Team** will again join the annual Earth Day Clean-up sponsored by the Anacostia Watershed Society for the benefit of all living in its watershed and for future generations. We will be working at the Brentwood site adjacent to the West Hyattsville Green Line Metro in Prince George's County. It is always fun and feels very good to beautify our Mother Earth while getting to know each other better. [Register for our St. Matthew's Team here](#). Thank you! If you have questions, please email our Creation Care Team Co-Chairs [Phil Downey](#) and [Simone Seym](#).
