

The Heart of the Gospel

A Morning Retreat on ZOOM

9:00 AM – 1:00 PM, Saturday, November 5

Jesus gives us his own experience of God through his life and teaching. This is the heart of the Gospel. Who is this God? How does God interact with us? How do we experience God as Jesus did?

Through discussion, prayer, spiritual exercises, and meditation on Gospel passage we will explore the heart of the Gospel so we may know the joy of God's love in our lives.
