

SEASON OF CREATION

Season of Creation 2021

A home for all? Renewing the Oikos of God

Amid crises that have shaken our world, the global Christian family was awakened to the urgent need to heal our relationships with creation and with each other during the ecumenical Season of Creation.

During the 2021 Season of Creation, from 1st September through 4th October, thousands of Christians and people of good will on six continents get together for a time of restoration and hope, a jubilee for our Earth, and to discover radically new ways of living with creation.
