

Walking the Synodal Path to Ecological Conversion

Care for Creation Green Team [ZOOM](#) Meeting, Feb 17, 2022, 6-7p

CREATION CARE PRAYER NETWORK

LAUDATO SI' MOVEMENT
formerly Global Catholic Climate Movement

Prayer for the Creation Care Network

Loving God and Creator,

We come before You with humble and grateful hearts for the gift of creation.

In the suffering of communities devastated by ecological destruction.... Jesus, we feel your wounds.

In the silent cries of extinct and endangered species...Jesus, we feel your wounds.

In the tears of the most vulnerable among us...Jesus, we feel your wounds.

In the greed and indifference consuming our planet..... Jesus, we feel your wounds.

In the interconnectedness of all creation...Jesus, we encounter your resurrected life.

In the glorious diversity of people and living creatures...Jesus, we encounter your resurrected life.

In the wisdom of indigenous communities and environmental defenders...Jesus, we encounter your resurrected life.

In the self-gift of those laboring for an integral ecology...Jesus, we encounter your resurrected life.

For the ecological conversion of the people of God...Jesus, inspire your people.

For burning hearts for climate and ecological justice...Jesus, inspire your people.

For the fruits of the initiatives of Catholic institutions.....Jesus, inspire your people.

For bold action in governments and societies...Jesus, inspire your people.

Loving Creator, give us the grace to be faithful co-creators to care for our common home. Fill us with Your Spirit who renews the face of the earth. And inspire us that we may always sing as we go.

Through Christ our Lord.

Amen.

Friends, please join us for *Walking the Synodal Path to Ecological Conversion*.

We will hear about a sacred art exhibition at the Sheen Center. Diversifying the Sacred Space: [BLACK IS BLESSED: THE ART OF LAURA JAMES](#). Exhibition at The Art Gallery, [SHEEN Center](#) For Thought & Culture – in partnership with the Archdiocese of New York.
