SEASON OF CREATION 2022

The Burning Bush

Season of Creation Remarkable Tree Tour at the Woodend Nature Sanctuary

Saturday, September 24, 2022

10:00 AM - 12:00 Noon

Let's
walk
together
on the
Path of
Laudato
Si'

Join us for a tour of this marvelous collection of trees, some of which are Montgomery County Champions. A quote from Laudato Si' will be read after each stop and provide an opportunity for group reflection and praise of our Good Lord's Creation as we hike. This peaceful 40-acre oasis, the seat of the Audubon Naturalist Society, invites us to enjoy the serenity of meandering woodland trails. We will also have the opportunity to learn about sustainable gardening at the native plant garden. The [Audubon Naturalist Shop](#), that is housed in the historic Georgian mansion, is a gem for bird lovers and all purchases support ANS environmental education and conservation programs.

Optional bike ride at 8:45: Phil will lead interested cyclists on a one-hour zero-carbon journey from St. Matthew's to Woodend. The route is primarily along Beach Drive, which is closed to cars north of Blagden Ave.

Location: [Woodend Sanctuary](#) is at 8940 Jones Mill Road in Chevy Chase, MD 20815

If you plan to attend, please email Phil Downey phildowney.jr@gmail.com and Simone Seym simone.seym@gmail.com If you are interested in the bike ride, want to offer car sharing or need one, please include this in your email.
